Subject: Notice of File Closure, Interstate Brick Company, Falenia Mine, M450058, Task ID# 1786, Tooele County, Utah

Dear Mr. Hewitt:

The Falenia Mine small mining permit, file number S0450058, located in Tooele County, Utah, will now be closed and the file retired.

On March 15, 2007, a site inspection was performed and it was determined that the site has not been disturbed or mined and can be fully released. No surety has been held for reclamation of this mine. No other agencies were involved in approval of this permit.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(ies), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Tom Munson (lead) at (801) 538-5261. Thank you for your time and consideration in completing the required reclamation on this project.
